

# WDC Greenspace Volunteer Programme

**Do you love your local green spaces?  
Are you interested in learning more about  
them and helping to improve them or  
helping others enjoy them?**

**There are lots of ways you can volunteer**

- **Join a community action day**
- **Help with practical nature conservation and surveys.**
- **Help out at events and activities**
- **Join a local litter picking or community gardening group.**
  
- **Rather do something in your own time outside of a group?  
there's also opportunities to help with litter picking and  
nature surveys.**

**If you're interested in any of the above please get in touch  
and we can meet to have a chat about the best way to get  
involved.**
