

BALLOCH CASTLE COUNTRY PARK REGENERATION GROUP
MEETING WITH MARTIN ROONEY, LEADER OF WEST DUNBARTONSHIRE
COUNCIL

ON TUESDAY 18/10/22, 2PM

AGENDA

1. Overview of our Aims and Objectives. See attached BCCPRG Constitution and Funding Opportunities.

BCCPRGFundingOp
portunities0922.doc

BCCPRG FINAL
DRAFT CONSTITUTIC

2. Partnership Working & Stakeholder Engagement
3. BCCP Tree Management Plan Update and Funding
4. Riverwoods Investment Ready Pioneers

<https://www.riverwoods.org.uk/streams/pioneers-application/#make-a-submission-by-october-31st-2022>

5. Outstanding questions to Michelle Lynn, WDC Assets Officer

A. Is there an update on the Slipway toilets being reopened and the Slipway Cafe being put out to tender?

B. A question has been raised about the access to the Castle toilets for someone in a wheelchair, the issue being the doors open outwards, if someone was on their own in a chair would they be able to negotiate the doors easily?

C. Were you able to locate some space for the Clydebank Men's Sheds group to work in to refurbish the picnic benches?

D. At our meeting in July you advised us that the WDC Legal Team were looking at various tied properties, including the North Lodge, Stable block and Castle to see what could be done with them, is there any further progress?

E. Have you had a meeting with Glasgow City Council to investigate the possibility of the Park being signed over to WDC?
